Why?

- To raise \$11,000 and create a welcoming, safe, and fun outdoor space for our students and the area neighborhood.
- Focus #1: Save half for the future. Parkview's playground is in decent shape now, but will need larger renovations in coming years. This will be a major undertaking and we need to plant the seeds today!
- Focus #2: Use half to meet an immediate need. What we can do will depend on how much we collect! Could it be a small play structure, trees for much-needed shade, rocks for climbing? Students, teachers and staff will vote!
- Help us leave this lasting mark on our community!

How?

- Thanks to our partner, Vertical Runner, donate online at: verticalrunnerm.com
- Collect cash or check donations using the donation form and envelope provided.
- Make donations in flat, one-time amounts. NOT dependent on laps or minutes of activity.
- Donations tallied every Wednesday, prizes delivered every Friday.
